

## **Free Education Support for Meritorious and Needy Children**

In a commendable initiative to promote education and support for underprivileged students of these islands, Bengali Hindu Education Society (BHES) has announced a special program to provide free educational support for meritorious and needy children.

The initiative aims to identify talented students from economically weaker sections and provide them with free coaching, study materials, academic guidance, and necessary support to help them achieve their educational goals. The program is designed to ensure that financial constraints do not become a barrier to quality education.

Under this initiative, students who have shown academic excellence and belong to financially disadvantaged families will be selected through a transparent screening process. Special emphasis will be given to students from rural and remote areas.

Parents and guardians are encouraged to apply for their children within the stipulated time. Application forms and further details can be obtained from (<https://www.bhesani.org>). The filled-in application should be sent to the email ID: [bhespb@gmail.com](mailto:bhespb@gmail.com).

This initiative reflects the organization's commitment to social responsibility and inclusive growth through education.
